February 2022

Dear Parents & Guardians,

Welcome back to Royal Schools!

The last two years have been a challenge for all of us in one way or another. Despite the difficult times that we had to endure on so many fronts, we survived and more than that we have thrived!

We are proud to report that regardless of the circumstances, all of our 13 schools (on five campuses, with more than 5 700 learners and with the help of our 355 staff members) completed their curriculums in time. For the last 29 years Royal Schools has enabled quality private education, always mindful of ensuring access and affordability. This track record has warranted a prominent role in the private education industry in South Africa now more than ever.

We have reason to celebrate! Our class of 2021 Grade 12s delivered excellent results. **Royal Schools Princess Park** achieved an astonishing 100% pass rate with an incredible 81% Bachelors pass rate. **Royal Schools Queens Private** achieved 98% pass rate with a 69% Bachelors pass rate. **Royal Schools Alberton** achieved a 99% pass rate with a 74% Bachelors pass rate and **Royals Schools Sky City** had their very first Grade 12 group passing with 88% and a 54% Bachelors pass rate. We also had a number of learners who passed with 6 distinctions. Congratulations once again to all of these learners, their educators and parents whose work and dedication have made these achievements possible.

With all of this in mind we are looking forward to a fruitful 2022 and hope, like everyone else around the world, that this will be the year where we will be able to beat this virus and get our lives back to normal. Our schools are already hard at work with academics, sport and culture.

Let us make this year a year of **gratitude**. Let's stop and acknowledge that there are always something to be grateful for. Even the darkest cloud has a silver lining. Let us live our **PIPE** values (**P**eople, **I**ntegrity, **P**erseverance and **E**xcellence) in everything that we do.

As parents, you are our most important partners in this journey, and we look forward to working with you as we continue the journey to build a future for our learners!

Yours sincerely, Dr B Fourie
