# SKY CITY NEWS

## From the Principal

"Your Father already knows your needs...Luke 12:30

Dear Parents/Guardians,

Thank you to all our children and staff for a wonderful Term 2.  
You have all worked hard and deserve a good rest.

School closes on the 24th of June 2022 and reopens on 19 July 2022

THANK you to the SKY CITY parents and guardians for always supporting our children and preparing them for the exams. Another big thank you for assisting with our Social Project.

Rest well!

---

This term we made History.

Our boys and girls Rugby teams played their first ever formal league matches.

We are very blessed to be part of the Valke Rugby union. They have sponsored our teams with rugby shirts and equipment and on top of that they sent us a few of the Springbok rugby ladies to come and assist with coaching.

We know that we will do even better next year.

Our Intermediate phase learners participated in the Get into Rugby program at Tsakane stadium on Thursday 9 June and thoroughly enjoyed the day. The highlight of their day was when they got to meet Bokkie the Springbok mascot.

They also received shirts, coaching and lunch on the day.

*We look forward  
to great things!*

## Soccer and Netball

Our soccer and netball learners played matches against our sister school Royal Schools Alberton. The Primary School learners won the majority of their matches. Well done to all our High School and Primary School learners for your hard work and dedication during the soccer and netball season.

---

## Chess

A big congratulations to our chess learners and Ms Kuwane with their chess results. Our learners did very well and will be participating at Provincial level after their excellent tournament at District level on Saturday 11 June 2022. We are hoping to go through to Nationals.

---

## National Eisteddfod/Art

Linamandla Ndabenhle Hlatswayo in Grade 10C participated in the National Eisteddfod and has qualified for the following:

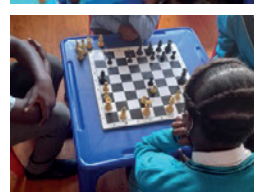

- Santam wish upon the stars
- The 58th edition of the Biannual in which 90 countries will participate in Venice, Italy.

Congratulations on this remarkable achievement.

---

## Mini Science Lab

Our Foundation phase and Intermediate phase learners had a fun-filled day on Thursday 9 June 2022 while learning about different experiments. Learners thoroughly enjoyed this and their shouts of joy and laughter could be heard all through the school.

# Our preschool

At Preschool we had very busy yet fun and educational first 2 terms. We learn through play. We had an amazing pyjama day where learners watched a movie in their cosy PJs, ate popcorn and drank hot chocolate. Learners thoroughly enjoyed this. At Royal Schools Sky City, we are big on books and reading.

We had an amazing book week where learners dressed up as their favourite book character and brought along their favourite book to share the fun with their friends.

We are all about moulding our learners and bringing out their creativity. Learners enjoyed box construction and painting which was well received. We learn through play and for mathematics it was pattern building. Learners enjoyed working with blocks outside and got to explore different way to create and identify patterns.

## Aftercare

At Sky City aftercare we are growing each day. Learners are well taken care of in a secured area. An afternoon snack is provided along with assistance with homework.

---

## Open Day

We have just had our very first Open Day of the year and we are excited to say that it was an incredible success and that our prospective parents were very impressed with our school and with what we have to offer. We are receiving many applications daily and some of our grades are already full for the 2023 academic year.

Parents received a gift bag at the entrance and this day was the best opportunity for them to get a tour of our school, ask all questions they have and get immediate answers. They also interacted with our teachers and went to see the classes as well. What a successful day!

---

# Best Primary School Award

We are delighted to share with you all that our school was awarded the Best Primary School in the 4 Circuits out of 32 Schools! Well done to our beautiful staff on this amazing achievement!
